Sultan Zainal Abidin University (UniSZA)

# About i-TASRIF

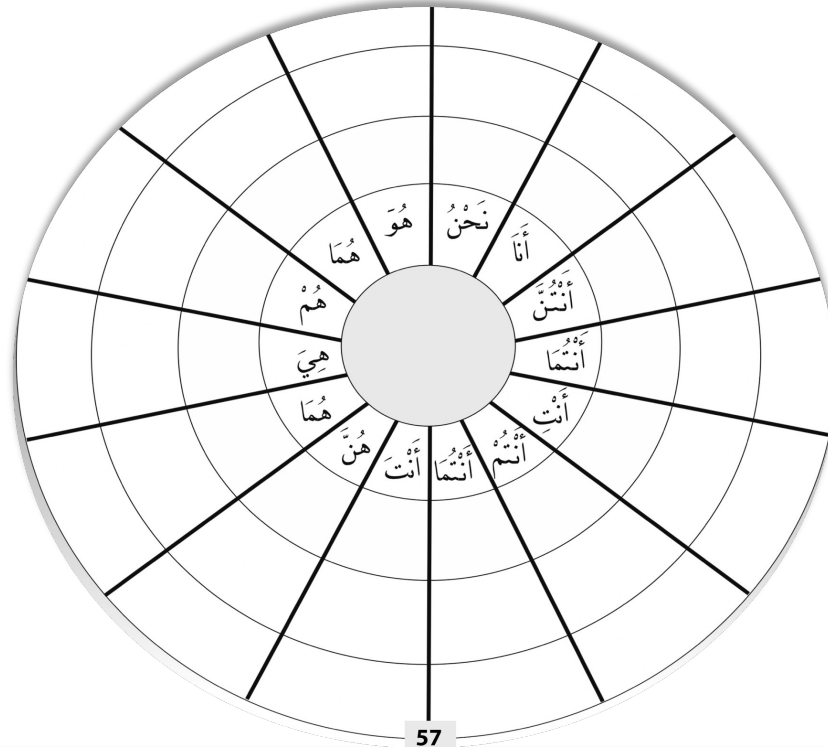

i-TASRIF is specifically designed in the form of a circle which is read according to the *tawaf* circumambulation, in order to simplify the way students memorize and comprehend conjugation.

# i-TASRIF

The Arabic verb conjugation in this note is divided according to times which are **فعل مضارع**، **فعل ماض**، **فعل الأمر**. Each division is color-coded in different colors to ensure that it is easier for students to differentiate it.

# i-TASRIF

There are also exercise sheets where students can practice writing other verbs by referring to the provided 20 examples *tasrif*.

# i-TASRIF

.55	.47	.39	.31
.56	.48	.40	.32
.57	.49	.41	.33
.58	.50	.42	.34
.59	.51	.43	.35
.60	.52	.44	.36
.61	.53	.45	.37
.62	.54	.46	.38

**This note also includes a milestone of achievement sheet where students can fill in the blanks with new verbs they have learnt as in the exercise sheets.**

# i-TASRIF

To attract students' attention to master Arabic verb conjugation which is the basis of Arabic language skill.

## OBJECTIVE

- Designed in a circular shape and read according to tawaf circumambulation.
- Contains selected commonly used Arabic verbs.

## CHARACTERISTICS

- Simple and quick reference with colorful graphic.
- Easy to carry around because of the small size.

## APPLICATION

Verb conjugation dictionary which combines the elements of refer and practice suitable for Arabic learners of all ages.

## COMMERCIAL POTENTIAL
