Dear Abla:

I am delighted to inform you that you are the recipient of the first annual Women's and Gender Justice Award. The committee was deeply impressed by your work to advance gender justice, equity, diversity, and inclusion.

An award certificate will be presented to you at the Women's and Gender Studies Graduation Reception and Awards Ceremony on Thursday, May 18, 2023, from 1:00-2:30pm in the Ubuntu Room (202 Gaughan Multicultural Center). Please note that after you are recognized, you will have an opportunity to say a few words. Of course, this is optional, but we provide advance notice so you can be prepared.

Thanks to the generous donation of Professor Emeritus and WGS Program Faculty Member Helen Moore, you will receive a \$500 award this spring and an additional \$1,000 for summer research and/or community work. We ask that you please write a letter of thanks to Dr. Helen Moore: 421 S 54th St., Lincoln, NE 68510.

Congratulations on this well-deserved recognition of your work to advance gender justice.

Sincerely,

Shari Stenberg
