

## CURRICULUM VITAE

**First name :** **GHENAM**

**Last name :** **KHADIDJA**

**Date and place of birth :** 14 of May 1985 at Batna (Algeria)

**Nationality :** Algerian

**Address :** 65, Street « A-F » City Belle vue Batna 05000-Algeria.

**Mobile :** (+00213) 790 69 74 45 (+00 213) 791965070

**E- mail :** [k.ghenam@lagh-univ.dz](mailto:k.ghenam@lagh-univ.dz) / khadidja-ghenam@hotmail.fr

**Facebook :** Khadidja Ghenam

**Twitter:** Khadidja ghenam

**Employment :** University laboratories member since 01/07/2014.

Faculty of medicine, Laghouat university- Algeria.

Receiving high-level delegations of the new medical faculty of medicine in southern Algeria.

Representing the Faculty and its laboratories on different Algerian television channels.

### **Formations :**

<b>Obtained Diploma</b>	<b>Institution and [study period]</b>
Master II degree in Biochemistry of naturel products.	Departement of Biology, University of Laghouat-Algeria.
Completion of a dissertation study« Morphometric, Calorimetric and Biochemical study of some Arthropods of two different bioclimatics stages ». Memory director : <b>Dr.Hichem GOUZI</b>	Laboratory of Biochemistry Laboratory of Zoology Laboratory of ecology Departement of biology, University of Laghouat.
Graduate Diploma (D.E.S., BAC + 04) in Biochemistry.	Departement of Biology, University of Batna-Algeria .
Completion of a dissertation study « Morphometric, Calorimetric and Biochemical study of four ordres of insectes, Dermaptera, Orthoptera, Coleoptera et Hymenoptera) of Batna region. Memory director : <b>Pr. Abdelkrim SI BACHIR.</b>	Laboratory of food Technology, (biochemical study) Laboratory of Zootechnie (calorimetric study). Laboratory of functional ecology and environnement, (biometric study).
License in English language (BAC+04)	Department of Literature and Human sciences, University of Batna-Algeria .

Bachelor of Natural Sciences.	Secondary school Khadidja Oum elmouminin, Batna , Algeria.
Bachelor of Natural Sciences.	Free Candidate .

## **Professional experience**

<b>Period</b>	<b>Institution</b>	<b>Position</b>
(2010 – 2013)	Department of Natural Sciences and life. University -	laboratory Engineering (contractual)
(2010 – 2011)	Department of Natural Sciences and life.	-Responsible for practices works Zoology module. (2nd year Biological Sciences). -Responsible for practices works Biochemistry module. (1st year DVM).
(2008 – 2010)	Department of Natural Sciences and life. -University-	Responsible for practices works Zoology module. (2nd year Biological Sciences).

## **Trainings in domain of health**

<b>Institution</b>	<b>Objective</b>
CASOREC laboratory . Batna	Training on Techniques of biochemistry and serology
SANA laboratory. Batna-	Training on Techniques of biochemistry, serology and hematology
Maternity laboratory. Batna	Training on Techniques of serology and hematology
Polyclinic central laboratory. Batna	Training on Techniques of biochemistry, serology and hematology
Polyclinic Douar Diss laboratory. Batna	Training on Techniques of biochemistry, serology and hematology
Algerian Red Crescent.	Training on first help.

## **SCIENTIFIC PRODUCTION**

### **Participation in seminars and scientific meetings**

#### **oral communication**

- Franco Maghrebien Congress of Zoology and 'D'ichthyology, From 06/11/2012 to 10/11/2012, Marrakech.

oral communication : « Biometric et calorimetric approach of four orders of insects prey of the White Stork and Heron Guard beef. »

- World Day of fight against desertification, the 17/06/2011, House of Culture AIN Touta. (Batna),  
Oral communication: "Methods and techniques of fight against desertification."
- World Environment Day, 05/06/2011, Scientific Cultural and Sports Complex (Batna)  
Oral communication "Integration of citizens in best practices for the protection of the environment ».
- World Wetlands Day « Vital Forests for Water and Wetlands »
- International Year of Forests 2011, 02/02/2011, University El Hadj Lakhdar. Department of natural sciences and life. Oral Communication "The Wetlands place of education, recreation and leisure."
- Workshop on forest ecosystems "Together for the Protection of Atlas Cedar" held in commemoration of the Day of the Tree. From 21/03/2008 to 22/03/2008. Belezma National Park .Batna. Oral communication "factor pressure and degradation of forests."

### **communication Displayed**

- 2nd International Symposium "The Algerian Ornithology at the Dawn of the 3rd Millennium." University of Oum Elbouagui, 17, 18 and 19 November 2006. Displayed Communication "Energy Intake major entomological orders food spectrum two waders in the region of Batna."
- International Seminar on Plant Protection 18, 19, 20 and 21/04/2011, National School of Agronomy Zoology Department of Agriculture and Forestry. El Harrach.Alger. communication displayed "Place of the agricultural community from the power of the White Stork environments (*Ciconia ciconia*) in the region of Batna. "
- World Forest Day "Workshop on olive, forest ecosystems and the protection of the environment." 21/03/2011, Department of Scientific Recreation, Sports and Cultural Complex Scientific Kechida (Batna), Communication displayed "Bio-ecology of the Atlas cedar, *Cedrus atlantica* ».
- World Forest Day "Workshop on olive, forest ecosystems and the protection of the environment." 21/03/2011, Department of Scientific Recreation, Sports and Cultural Complex Scientific Kechida (Batna), Communication displayed "Bio-ecology of the Atlas Pistachio, *Pistacia atlantica*.
- International Seminar on "Faunistic Biodiversity in Semi-Arid and arid area." From : 22/11/2009 to 24/11/2009.University of Kasdi Merbah. Ouargla. Posted communication. "Biometric,

Biochemical and Calorimetric approach of some insect orders (Coleoptera, Orthoptera, Hymenoptera and Dermaptera) of Batna ».

- First National Seminar on "Natural backgrounds, Biodiversity and Eco-development. From 25/11/2008 to 26/11/2008. University of Jijel. Posted communication, " Biometric and Calorimetric aspect of insects in the region of Batna."
- Days on International Agricultural and Forest Zoology. From 08/04/2007 to 10/04/2007. National School of Agronomy, Department of Zoology Agriculture and Forestry. El Harrach. Alger. \_Displayed Communication "Update and current status of mammals in the Aures region."
- Second National Day on Biodiversity. the Natural Environment and quality of life in the Aures region. From 27/05/2007 to 29/05/2007. University El Hadj Lakhdar. Batna.
- Meeting of Exchange, information and awareness-raising in commemoration of World Wetlands Day. From 01/02/2006 to 02/02/2006. Belezma National Park .Batna. Posted communication. Wetlands and the Ramsar Convention.

## **Publication**

### **articles**

1/**GHENAM K.**, SI BACHIR A. (2011) - Biometric, Biochimic and Calorimetric of some insects ordres (Coleoptera, Orthoptera, Dermaptera et Hymenoptera) of Batna. Proceedings of the International Seminar of Faunal Biodiversity in Arid and Semi-Arid area (University Kasdi Merbah –Ouargla from 22 to24 november 2009).

2/ **GHENAM K.** (2022) -Article in collective book; The Algerian experience in dealing with the Covid-19 pandemic during the period from September, 2020 to September 2021."Theoretical synthesis and new diagnostic proposal of corona viruses (case of SARS-COV-2). A book written by group of authors. National center for research in Islamic sciences and civilization, thematic research agency in health and life sciences-Oran and faculty of medicine university of Laghouat.

3/ Number of citations in different journals.

## **Linguistic knowledge :**

Arabic : mother tongue

French : written and spoken

English : Written and spoken

## **Direction and supervision of reports and memoirs of end study**

**Co-Promoter:** to obtain a license in environmental science title:

“Biometric and calorimetric study of three order of insect prey of the White Stork (*Ciconia ciconia*) in the wilaya of Batna”.

**Co-Promoter:** to obtain a license in environmental science title:

« Morphometric and parasitologic study of Turtles (Earth turtle: *Testudo graeca*, Water turtles : *lymid leprosa*).

**Co-Promoter:** to obtain a license in environmental science title:

« Biometric and Calorimetric study of snails prey of the White Stork (*Ciconia ciconia*) Batna.

- Supervision of students during field trips.

## **Principales qualifications**

- *Education, research, Expertise*

## **Other knowledge**

- A good command of computers for word processing, illustration and data processing (Word, Excel, Power point, ..). Degree in computer data entry clerk (MS-DOS, Windows, Word and Excel). Computer training center.
- Driving license category B since 2004.

## **Membership in professional associations and groups**

- Active member (since 2006) of scientific association BBD-Biology, Biodiversity and Durability, Faculty of Science, Department of Natural Sciences .University El Hadj Lakhdar. Batna.
- Active member (since 2005) of APE- Association of Environmental Protection. Batna.
- Member of the group CNFE (National Academy of Environment training), attachments, installation and activation of green clubs in schools.
- Member of the Algerian Red Crescent (first aid worker, card number 312/05, issued on 1/12/2005).
- Representative BBD Association in the local network for monitoring wildlife of Batna (Forest Conservation in the wilaya of Batna).
- Travel guide in a travel agency (Batna travel).

## **Other relevant informations**

- Member of the organizing committee of the World Forest Day « Workshop on olive, forest ecosystems and the protection of the environment ». Department of Scientific Recreation, Sports ,Cultural and scientific Complex (Batna). 19, 20, 21, 22 March 2011.
- Member of the organizing committee of the World Wetlands Day "Vital Forests for water and wetlands" International Year of Forests 2011. University of Batna, on 02 February 2011.
- Member of the organizing committee of the "Second National Day on Biodiversity, the Natural Environment and quality of life in the Aures region (Batna)" organized by UNEA (National Union of Algerian Students) 27 , 28 and 29 May 2007.
- Member of the organizing committee of the International Symposium "The Ornithology of Algeria at the Dawn of the 3rd Millennium." University of Batna, 11, 12 and 13 November 2006.
- Member of the organizing committee of the "First day on the quality of life and the natural environment in the Aures region (Batna)" organized by UNEA (National Union of Algerian Students) on 13 and 14 March 2006.
- Member of the organizing committee of the day « the discovery of wetlands in the region » Scientific meeting organized jointly by the National Park Belezma (General Directorate of Forests) and the Department of Biological Sciences (University of Batna), 1<sup>st</sup> and 2<sup>nd</sup> February 2006, National Park of Belezma (Batna).
- Participation in several radio broadcasts about biologic subjects (Radio Aures).

### **Books:**

منهجية التعلم و التعليم بالكتب التطبيقية في العلوم الشرعية.

كتب تم نشرها.

سلسلة الغنائم التطبيقية

غنائم المتون : 1/متون التجويد.

2/ متون مصطلح الحديث.

الغنائم النووية: 1/ العمل بكلام سيد البرية بمدارسة الأربعين النووية.
